Terms of use

Conditions of use Local assumptions:

Subsoil unknown The selection of the construction road system was made in consultation with the client depending on the location. Invoicing is based on the actual quantity laid or area covered. We cannot accept any liability for damage to vehicles caused by driving over the ground protection panels and the fixtures located in the area to be covered. The panels are suitable for trucks with an axle load of up to 12 t. axle load. Only drive over the ground protection panels at walking speed (10 km/h). The construction site signage must be provided by the client. During the entire holding period (delivery to collection), the hirer shall be fully liable for the hired material. In the event of defective panels or accessories that can no longer be repaired or in the event of loss, we shall charge the respective replacement value of the parts. On return delivery by the customer, the goods must be neatly stacked/packed in accordance with the instructions for use.

Special notes:

In case of a rental period of more than one month, the rental period shall be extended by another day or until the return of the material. The free notice must be given with a notice period of 5 working days. The prerequisite for proper use is a level, load-bearing surface without depressions, ditches, furrows, etc. The surface must be clean and free of debris. In case of doubt, an assessment by us is required. Our offer is based on the information provided by the client. The client must inform us in writing of any special features or difficulties with access to and at the installation site before placing the order. If additional expenses are incurred due to information not provided or incorrect information, we shall be entitled to charge for the additional expenses. If necessary, private use and crossing permits, including official permits, must always be obtained in advance by the client. Stolen rented items shall be invoiced at the procurement value. A cleaning fee of EUR 15.00 per item will be charged for uncleaned rental items which have to be cleaned by us. For damaged rental objects which have to be repaired by us, a flat rate per hour of 60.00 EUR per item will be charged. Rental items that no longer need to be repaired will be invoiced at their replacement value. All prices are net prices and do not include the value added tax valid at the time of invoicing. In addition, our general terms and conditions apply, which you can view at www.zgs.ag or www.iso-mat.de and www.twf-tiefbautechnik.de or which will be sent to you on request.
